Dear Parents and Carers,

Residential Trip Meeting for Parents

On Thursday 5th June at 3:30pm there will be a meeting for parents and carers in the north hall – children can of course attend too. This is an opportunity for staff to go through the itinerary of the visit with you and to give you other information regarding the three-day trip.

Now that staff have visited the site and we have been given the itinerary, we have finalised the list of required clothing and equipment. A paper copy has also been given to your child today.

The school possesses a few sleeping bags and torches. If you would like your child to borrow one of these sleeping bags or a torch, please notify one of the office staff. The sleeping bags are limited in number so it will be on a first-come, first-served basis.

It should be a fantastic visit this year. We are taking a great group of students and it promises to be lots of fun.

If your child has any new or additional medical issues that we need to know, please can you tell the Office. We will collect any medication from you on Monday 16th June. This includes prescribed medication, antihistamines for hayfever, travel sickness tablets and anything else that we need to know about.

Kind regards,

Mr E Kyndt

Vice Principal
